How Promoboxx Works...

CREATE & INVITE

Versatile creates high-quality marketing campaigns and invites you via email.

CUSTOMIZE & POST

You post from the pre-made social shares. Hands off with marketing? Read the next page to learn how to turn on marketing automation.

CONSUMER INSIGHTS

Get consumer insights on the content that's promoted.

- Post-by-post reporting
- Customer reach
- View consumer leads

A Marketing Program That Works For You

GET STARTED TODAY

How to Create Your Versatile Marketing Account:

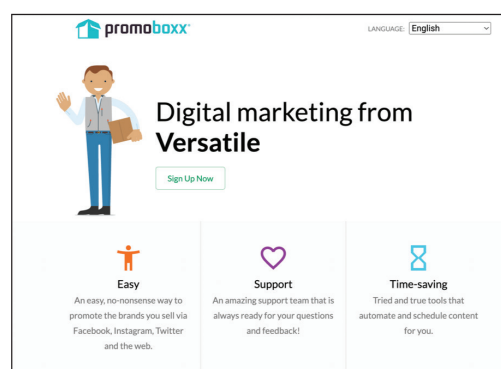

- 1 Sign up for free at VersatileSocial.com
- 2 Confirm your preferred dealership address, website, and phone number.
- 3 [Connect your social accounts](#). Please note that you will need to be an admin on your Facebook page and have your Facebook password to connect.
- 4 After connecting your social accounts, make sure to turn on [Facebook automation](#) if you want to automatically share content.
- 5 Turn on [Paid Ad Automation](#) to participate in campaigns fully funded by us!
- 6 Have any questions? Reach out to support@promoboxx.com for sign-up help.

Stay Organized with Scheduling

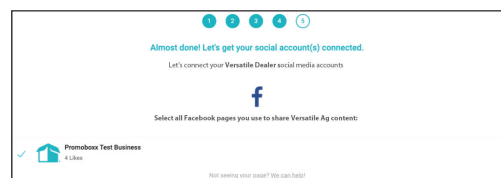

Dealers can manage hours of social media marketing in one sitting! Scheduling allows dealers to select and customize their content – then tell Promoboxx when to share it on their behalf.

Maximize Time with Automation

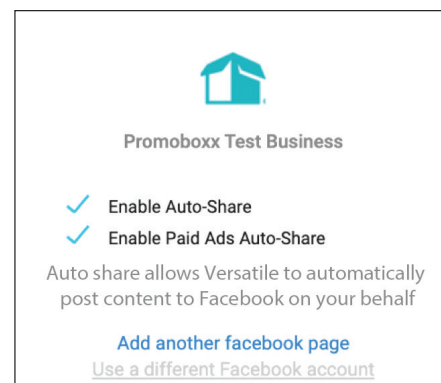

Automation helps dealers save the maximum amount of time while still reaping the benefits of high-quality content. Once enabled, Versatile will automatically share new content for dealers.
