Title: Fury – Heavy Weight & Customization
Models: Fury HS, Fury R

Start

The Versatile Fury is built to work hard so you don't have to! A true heavyweight, the high speed disc has one of the highest weight-per-foot ratios on the market, ensuring it can handle hard or heavy soils with ease. Configure your Versatile tillage to your specific field conditions with an assortment of blade sizes, spacing and rear finishing attachments.

Visit your friends at [__DEALER__] [__ADDRESS__] for more information on the Versatile Fury!
